EU Declaration of Conformity – PPWR

pursuant to Annex VIII of Regulation (EU) 2025/40 on packaging and packaging waste (PPWR)

Document No.	ABF-QM-PPWR-Doc-001
Version	1.0
Role under the PPWR	Manufacturer

Abifor AG hereby declares, under its sole responsibility, that the packaging listed in the Appendix complies with the applicable requirements of Regulation (EU) 2025/40 on packaging and packaging waste (PPWR). This declaration is based on the conformity assessment carried out using the available technical documentation, supplier declarations and supporting evidence for the respective packaging.

Conformity Assessment and Applicable Requirements

The conformity assessment covers the applicable requirements of Articles 5 to 12 of Regulation (EU) 2025/40, taking into account the relevant transitional provisions, including:

- Substances of concern and heavy metals
- Recyclability
- Recycled content, where applicable
- Packaging minimisation
- Reusability, where applicable
- Labelling requirements, where applicable

The relevant technical documentation and supporting evidence are maintained by Abifor AG.

Conformity Assessment Procedure

The conformity assessment has been carried out in accordance with Annex VII, Module A, of Regulation (EU) 2025/40.

No notified body was involved in the conformity assessment procedure.

This Declaration of Conformity applies exclusively to the packaging listed in the Appendix and is based on the information and documentation available at the date of issue.

Changes to the packaging material, composition, labelling or intended use may require a reassessment and an update of this Declaration of Conformity.

Appendix – PPWR

This Appendix forms an integral part of the Declaration of Conformity – PPWR issued by Abifor AG.

Packaging covered by this Declaration

Article No.	Packaging Description	Material
